**LONDON / VANCOUVER: 21 May 2026** – Mkango Resources Ltd. (AIM/TSX-V: MKA) (“Mkango”) is pleased to announce that, on May 20, 2026, its wholly-owned subsidiary, Mkango Rare Earths Limited (formerly Lancaster Exploration Limited), a British Virgin Islands company (“MKAR”), filed a registration statement on Form F-4 (the “Form F-4”) with the U.S. Securities and Exchange Commission (the “SEC”). The filing was made in connection with the previously disclosed proposed business combination (the “Proposed Business Combination”) contemplated by the business combination agreement dated July 2, 2025 (as amended, the “Business Combination Agreement”) among MKAR, certain other wholly-owned subsidiaries of Mkango, and Crown PropTech Acquisitions, a Cayman Islands exempted company (OTC: CPTKW) (“CPTK”). The Form F-4 includes a proxy statement for the meeting of CPTK shareholders and a prospectus relating to MKAR’s common shares and warrants. The Proposed Business Combination was initially announced on July 3, 2025.

The filing of the Form F-4 by MKAR with the SEC marks an important milestone toward the expected completion of the Proposed Business Combination. Subject to the completion of the SEC review process and satisfaction of customary closing conditions, including approval by the shareholders of CPTK, MKAR’s common shares and warrants are expected to be listed on the Nasdaq Stock Market under the symbols “MKAR” and “MKARW”, respectively, upon the closing of the transaction.
